Griffith Park Observatory Film Production Guidelines

Failure to comply with these conditions will be in violation of your film permit and may result in revocation of permit.

Welcome to the City of Los Angeles, Department of Recreation and Parks. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

6/4/2012

3 vehicles max. No large vehicles. All vehicles and equipment must be parked and staged on East Observatory Road.
Vehicles may not drive on any sidewalks or driveways leading to the Observatory or stop in the horseshoe roadway.
Company must not interfere with any Observatory related activities or staff.
Company must not interfere with any pedestrian foot traffic or vehicle traffic.
No generators permitted.
No use of Observatory electrical outlets.
No cable runs. All equipment must be self contained, battery operated.
Failure to adhere to the rules and regulations will result in Observatory management and L.A. City Park Rangers to stop and conclude filming.
Must pay Observatory filming (photo) use and staffing fees by check PRIOR to start of shoot. We will be sending them a statement of fees directly.
Photo Equipment: 1 still camera, 1 laptop and monitor, 1 portable (hand carry) power supply for computer.

- **No smoking on Observatory / park grounds.**
- **Company must follow all Restrictions/Guidelines provided by Observatory Directors.**
- **NO equipment allowed on the lawn.**
- **NOT allowed to alter the building.**
- **NO equipment on front lawn.**
- **Equipment MUST have protective barrier (rubber, layout board or carpet) while on concrete.**
- **Vehicles MUST be parked on parking stalls.**
- **MUST film the Observatory as is.**
- **Interior and or roof access is NOT permitted for any reason.**
- **MUST use exterior restrooms located near the public parking lot.**

NOT A PERMIT

- **MUST work around park patrons and park activities.**
- **MUST leave area clean or better once all filming activity has concluded at the Observatory.**

- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines**. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.**
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between parK
- patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee

PERMIT

there will be no smoking with the exception of an actor smoking while performing or as part of the scene.

- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
